

Vth International Conference
On
**Sustainable Energy and
Environmental Challenges (V SEEC)**
19th – 21st December 2020

Organized by
International Society for Energy, Environment and Sustainability (ISEES)

About the Conference

This International conference is aimed to promote research and outreach programs in India and abroad through scientific deliberations in the important areas of present and future relevance. The objective of this conference is to bring together engineers, scientists, academicians, students, managers and other professionals in order to discuss and address emerging energy and environmental issues to find sustainable solutions.

Theme 1: Advanced Engine Technologies and Alternative Fuels for Sustainable Transport

Theme 2: Challenges and Opportunities for Electric Vehicle Adoption

Theme 3: Methanol as a Sustainable Fuel for Energy Sector

Theme 4: Coal and Biomass Gasification

Theme 5: The Future Direction of Solar Energy

Theme 6: Environmental Sustainability and Development

Theme 7: Advanced Materials for Environmental Application

Theme 8: Human Impact on the Environment and Environmental Pollution Control Technologies and Devices

Theme 9: Advancements in Sustainable Bioprocessing for Refining of Biofuel/Non-biofuel Products and Carbon Emission Reduction

Important Information

- ❖ The conference will be organized in **virtual mode via Zoom**.
- ❖ Attendees can do **free registration** through conference website ([www.isees.in/V SEEC](http://www.isees.in/VSEEC)).
- ❖ **E-certificate** for participants, who will attend the conference.
- ❖ More details about the conference, themes, speakers, technical schedule, etc. can be seen on conference website ([www.isees.in/V SEEC](http://www.isees.in/VSEEC)).

Conference Conveners

Dr. Pravesh Chandra Shukla
Department of Mechanical Engineering,
Indian Institute of Technology Bhilai,
Raipur.

Dr. Swatantra Pratap Singh
Environmental Science and
Engineering Department, Indian
Institute of Technology Bombay,
Powai, Mumbai.

Dr. Anil K Patel
Centre for Energy and
Environmental Sustainability
Lucknow

Contact

Dr. Akhilendra Pratap Singh
Secretary, ISEES
